

# MAKEUP MENTORSHIP PROGRAM

## *Frequently Asked Questions*

---

### ***1. Who is this mentorship program for?***

This program is designed for both aspiring and experienced makeup artists. If you're new to the industry, this mentorship will help you build foundational skills and industry knowledge. For seasoned artists, the program offers advanced techniques, business growth strategies, and specialization opportunities.

---

### ***2. How long is the mentorship program?***

The mentorship is a 3-month commitment with regular weekly check-ins, personalized roadmap guidance, and plenty of interactive opportunities to ensure you're achieving your goals.

---

### ***3. What can I expect during the weekly check-ins?***

Each week, we'll connect over a 40-minute Zoom session to review your progress, set goals for the coming week, and answer any questions you have. These sessions can include mini-lessons on specific techniques, feedback on your recent work, and real-time advice tailored to your next steps.

---

### ***4. Do I need any specific makeup products or tools?***

While there is no specific required list, having a basic professional makeup kit is a must. If you're looking to build or refine your kit, I'll provide recommendations based on your unique needs and goals throughout the program.

---

### ***5. Are the demos virtual or in-person?***

The program offers flexibility with both virtual and in-person options for demos. You'll get to see real-time applications with detailed explanations covering everything from brush holding and blending to product placement.
